

A Better Package for Healthcare

New 125mL Aseptic Juices and Juice Drinks

"I prefer the appearance of tetra boxes on the tray and love the brand."
Acute Care Hospital Director

"These are more operationally efficient [than cups]. They stack well in storage and take up less refrigerator space on each floor and in the mobile galley."
Acute Care Hospital Operations Manager

"The straw makes it easy for patients to drink in bed."
Acute Care Hospital Director

Ocean Spray® 125mL Aseptic Juices and Juice Drinks

Aseptic Juice Boxes from Ocean Spray® are packaged in a sterile, aseptic environment under strict microbiological guidelines and can be safely served in any clinical or residential setting. Bring your patients and residents a taste of home with Ocean Spray® juices and juice drinks, a brand that has been synonymous with quality and great taste for more than 85 years.

The Preferred Healthcare Package

- Straw provides less patient spills and ease of drinking
- Boxes are efficient to transport throughout operations
- Smaller cases provide storage efficiencies
- Shatter proof and guaranteed not to leak
- Increased shelf life-additional 30 to 60 days
- Shelf stable packaging, quick and easy to chill
- Recyclable packaging with no CRV in CA
- Date codes on every box
- Aseptic technology protects product quality
 - No need for preservatives
 - Preserves product quality close to natural state
 - Preserves nutrients and nutritional content
 - Preserves the quality and flavor of ingredients
